Jacobsen offers an elegant in-frame effect, inspired by the traditional method of setting the door so that it opens within a frame – a hallmark of fine bespoke carpentry.

With subtle line detailing on the outer edges of each door, we create the illusion of in-frame cabinetry. Beautiful and practical, with no need for costly & labour-intensive carpentry.

Painted doors to order in
36 carefully curated colours.

With our Paint-to-Order service, you can make bold statements, add colourful accents, or go neutral with the perfect handpicked shade.

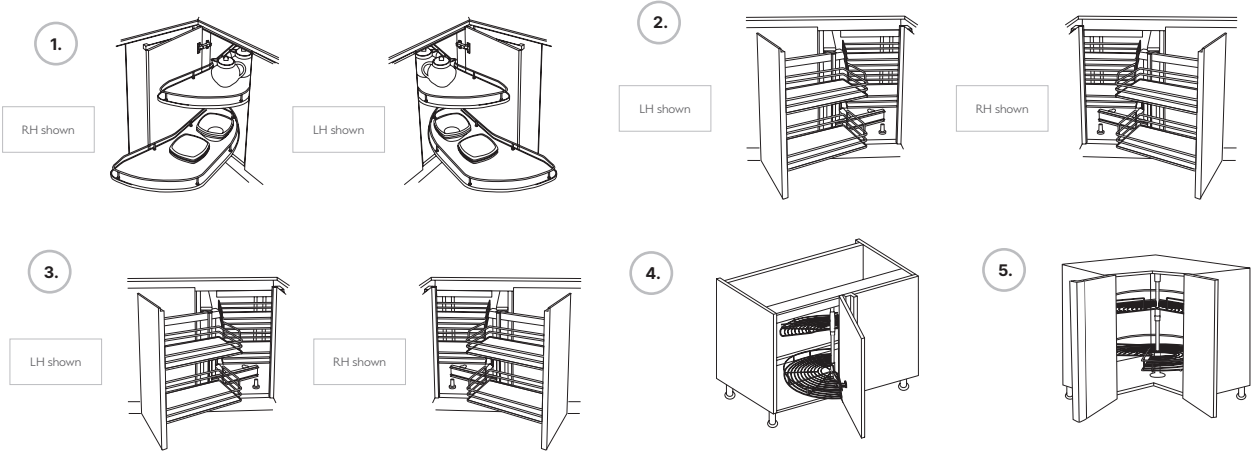

Over 2600 bespoke colours available

We are specialists in matching the leading premium paint brand and our bespoke service provides over 2600 colour options.

PLEASE NOTE: when using bespoke colour references, TKC paint MDF and timber substrates to a 10% sheen level. Different sheen levels and finishes i.e matt, silk etc can affect the finished colour. It is the customers responsibility before placing the order to ensure the colour is acceptable.
